Feedback Process

Feedback about the delivery of services to persons with disabilities is welcomed as it may identify areas that require change and assist in continuous service improvement. You may provide feedback by telephone, in person, in writing, or by delivering an electronic text via email, on diskette or otherwise. Tempur Canada will make an effort to provide a response in the same format in which the feedback was received.

Where possible, feedback will be addressed immediately. Some feedback may, however, require more time to address and may need to be reviewed before an action is taken. Tempur Canada will respond within 5 working days. Feedback may be provided directly to:
