Some provinces/territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to every purchaser. This warranty gives the purchaser specific legal rights, and the purchaser may also have other rights, which may vary between individual provinces/territories. This warranty is valid in all Canadian provinces and territories, the United States, and Puerto Rico. This warranty is valid only for the original purchaser of the product. An original purchaser is one who purchases the product directly from Tempur-Pedic North America, Inc. or an authorized Reseller of Tempur-Pedic North America, Inc. If you are not the original purchaser of this product, you take it "as is" and "with all faults." If you did not purchase this TEMPUR-Ergo system directly from Tempur-Pedic North America, Inc., we will require proof of purchase from you demonstrating that you are the original purchaser and eligible to make a valid claim under this warranty. This warranty begins on the "warranty commencement date" which is the date of purchase for new unused units, and the date of manufacture for units that have been used as floor or display models. Thus, on a floor model unit, the warranty is a portion of the limited 20-year warranty. If original proof of purchase is not provided by purchaser,

Tempur-Pedic reserves the right to determine if the unit is not covered by this warranty or to use the manufacturing date as the warranty commencement date. This limited warranty gives you specific legal rights. You may also have other rights that vary between individual provinces/territories.
